SMD 3528 Double-line 240PCS/M

WISVA LIGHTING

Features:

1. Available in single colors: red, green, blue, yellow, white, warm white, etc.
2. DC12V, 24V, 240leds/m, 19.2w/m, with brown, white and black background.
3. Cuttable every 6LEDs along the cutting marks, pack in reel,5m/reel in normal, different length is available.
4. With 3M tape in the back, very simple to install at anysurfaces.
5. No ultraviolet and infrared radiation, low heat-release,long lifetime for 50,000hs.
6. No dark space and with 120° view angle.
7. CE and RoHS are approved.

RoHS   CE   θ=120°   2YEAR warranty   IP 44
Non-waterproof
SMD 3528 Double-line 240PCS/M
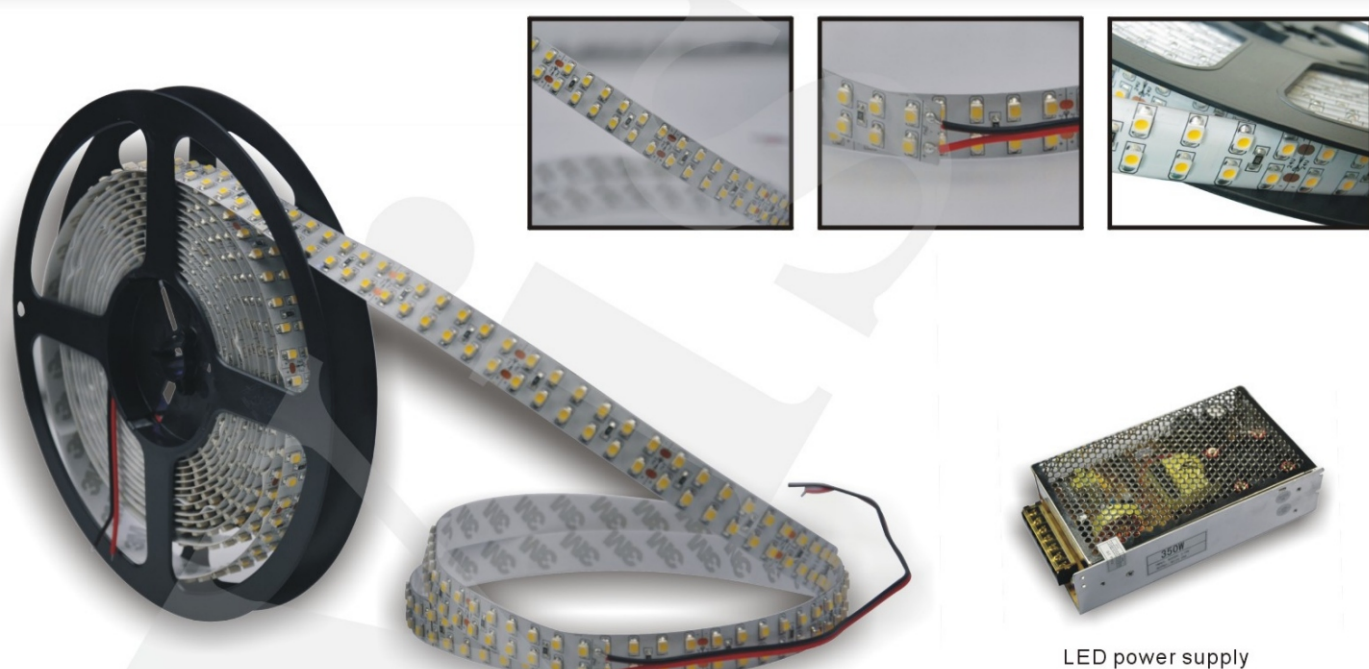

LED power supply

Dimensions

Unit:mm

150   5000   8.5   15

Characteristics

Part Number	LED Q'ty	Voltage(v)	Color	CCT(K)	Angle	Max Power	Size(mm)
HH-SWW240 F115W12-3528	1200PCS/5M	DC24V	Warm White	2500-3500	120°	95W	5000*15
HH-SW240 F115W12-3528	1200PCS/5M	DC24V	White	6000-12000	120°	95W	5000*15

Wiring diagram

Waterproof type
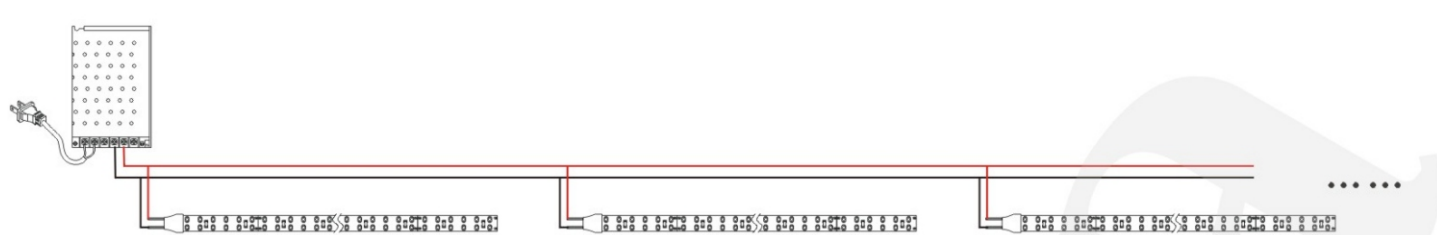

IP65 (glue)   IP67 (silicone tube)   IP68 (PVC tube+glue)   Ip68 (half silicone tube+ silicone glue)
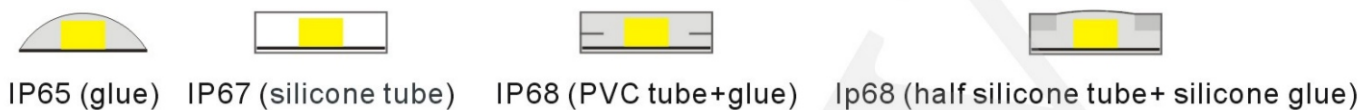

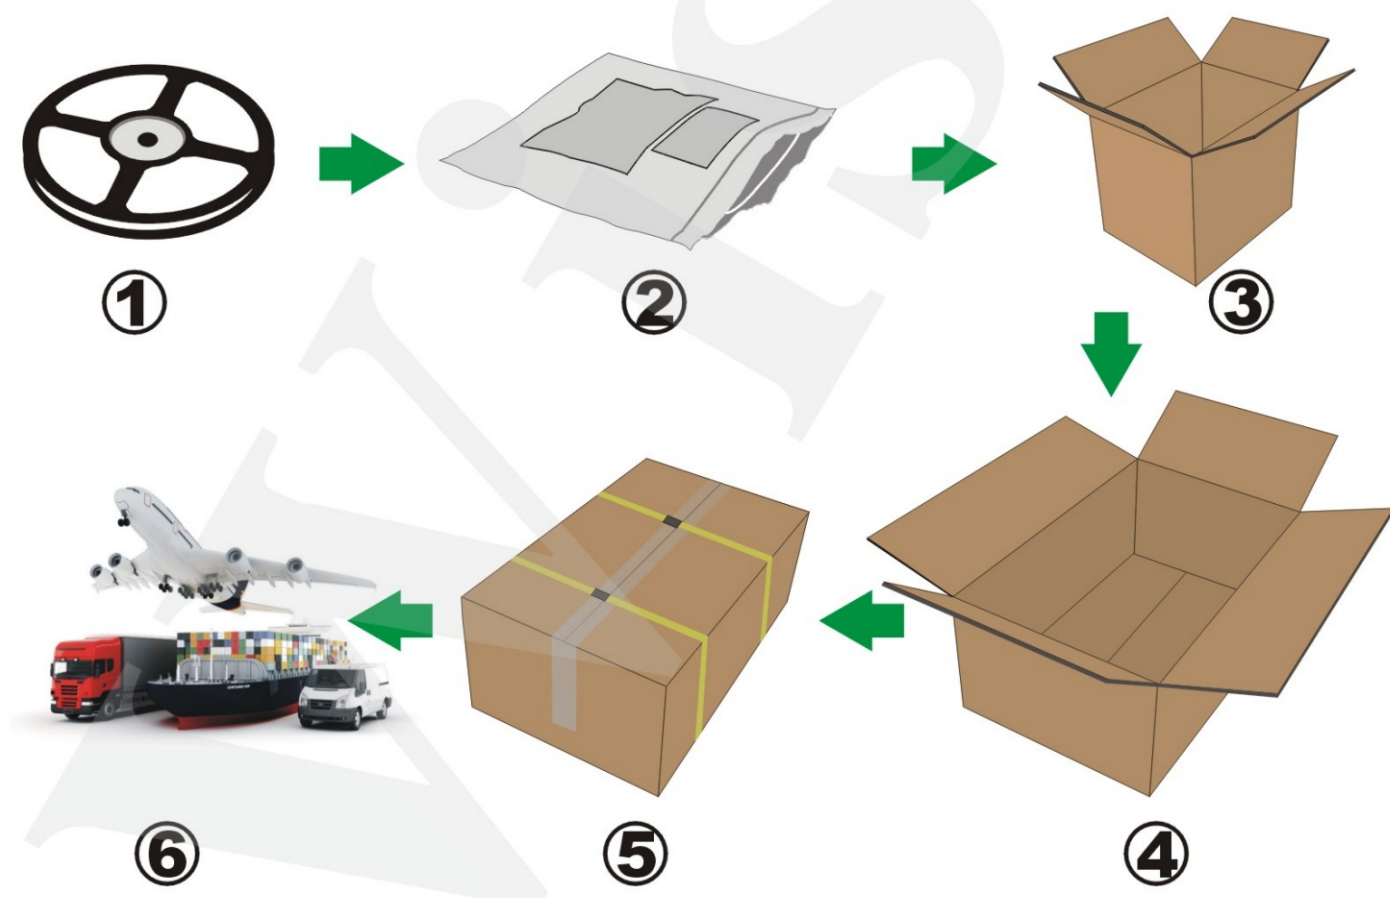

Package

Small box size: L305 * W245 * H260mm
Large box size: L7105 * W445 * H290mm
